BENIGN! THE TUMOR IS BENIGN!!!

9:30 AM — Dad just called to report, with tears of joy, that Russell's brain tumor is benign. Thank God. Both Dad and I got so choked up with joy that we were unable to talk. We were and were of wondering whether or not the tumor benign are over. The entire family have been given a new lease on life. I immediately called Jean Colville and told her the good news and she too got very excited. I dressed and on my way to the Post office stopped at the Police Department and told Chief Dottle the good news. He was glad to get the report and thanked me for stopping by to tell him.

10 AM — I went to the Post office and mailed out 226 promotional pieces for the microfilm editions of Northeastern Pennsylvania Genealogical and Local History Reprints, Volumes I and II.

— 9.88 piece / pound

— 2.62 ounce — weight of a single piece

— \$24.86 — mailing cost
(11 cents per piece)

Cost of Mailing

\$104.20 — cost of printing the promotional
piece on
09-09-1983

24.86 — postage 9/26/83
\$129.06

— which means that I will have to sell $3\frac{1}{2}$ sets of the microfilm to make expenses. One set (Volume I and Volume II) costs \$40.00. Nice and one-half sets out of 226 mailing pieces. That should be easy. We shall see.
